# Getting Here

## CHECK-IN

**Beginning at 8:00am**, there is a 1 hour check-in period. We suggest you arrive early so that after you check-in, you can network, and enjoy coffee and a light breakfast. Please allow time to find parking and for walking to the HUB. Those with a poster should allow additional time to set up their poster before the beginning of the conference. The conference will begin at 9:00am.

## LOCATION

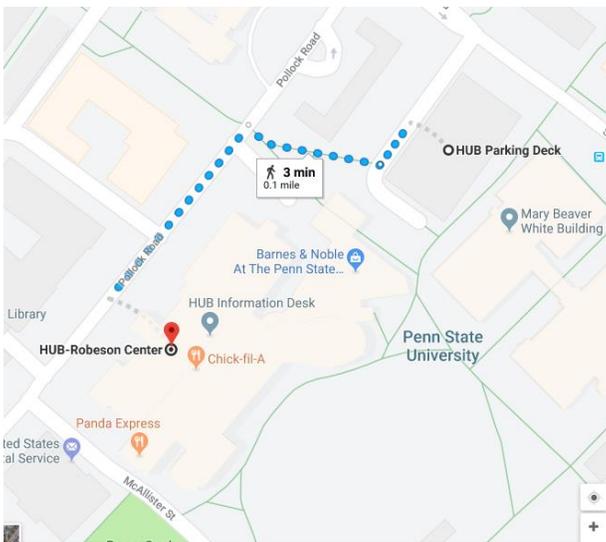

The conference will be held in room 233A/B on the second floor of the HUB-Robeson Center (which is the bustling student union of campus). Using Google Maps: Enter "HUB-Robeson Center, State College" and it will find the HUB, which is at the intersection of McAllister St and Pollock Road on Campus. You might use this destination to walk from the parking garage.

- [East Parking Deck](#) (which is on Bigler Road between Park Avenue and Curtin Road)
- Pugh Street Parking Garage downtown (126 South Pugh Street, State College, PA)
- Fraser Street Parking Garage downtown (135 South Fraser Street, State College PA)

Parking rates are usually about \$1/hour. For more information about on-campus parking see:

## FINDING THE ROOM IN THE BUILDING

It's difficult to give point to point directions since folks may be entering the building from various directions. So we offer one and folks can try to orient themselves from there. If you enter from the front doors on Curtin Road, you will turn left at the information desk and then go up a flight of stairs to your right. At the top of the stairs, you'll exit the stairwell to your left, and find the rooms (with glass wall fronts) off to your left. They overlook the [gallery stairs](#) in the HUB.
